

St Peters Public School

2017 Kindergarten Enrolments

Is your child starting kindergarten in 2017?

St Peters Public School is holding information sessions throughout the year at local childcare centres & pre-schools.

The sessions are designed to introduce you to our school, to discuss the transition into kindergarten, and how to deal with this time in your child's life.

Please ask the teachers or carers at your centre for dates and times of these sessions.

Other St Peters Public School information sessions

ONE ON ONE MEETING

Contact our friendly administration staff during school hours to arrange an appointment with our Principal.
Phone: 9519 6307

INFO NIGHT 21st June, 7:30pm

St Peters PS school hall.
Come along to learn more about our school, meet the teachers & principal.

OPEN DAY 2nd August, 9-11:30am

Held during Education Week, we open up our classes for you to see the school first hand. There will also be performances by our students. Followed by a community BBQ lunch.

Orientation programs for students enrolling for 2017 will be held in Oct/Nov 2016.

The program involves your child joining our kindergarten class from 9:30am until recess.

2017 School Catchment Map

The school invites parents who have children of primary school age in the shaded local area to enrol for 2017. Those out of this area are welcome to apply and will be considered according to an out of area policy.

The St Peters Difference

- St Peter's is unique as an inner west school close to the city and with great connectivity that combines a small student population with large expansive grounds
- All our students enjoy small class sizes in spacious brick classrooms - no demountables on site
- Our professional teaching staff are a nimble and closely knit team that works together to quickly respond to student and community needs. They know all students at the school and our students know them
- Our quiet bell and speaker less environment is free of interruptions and leads to quality focussed learning
- Our students all know each other across K-6 and support each other - adding to our caring nurturing reputation
- St Peter's participates widely in the whole curriculum including sport, music, performing arts, debating and students have extensive leadership opportunities. Our smaller size means that a very large percentage of students enjoy these opportunities
- Our community is keen, responsive and punches well above its weight in raising funds to help support school programs and facility
- St Peter's has a brilliant OOSH that enjoys large operating areas and access to our expansive grounds

2014-2016 Upgrades

- St Peter's Public School established a partnership with Tribe OOSH that provides before and after school care, as well as an extensive vacation program. They operate in large grounds and are highly flexible to the needs of busy families where both parents may work
- Between 2014 and 2016 the school significantly upgraded its technology infrastructure and students now enjoy a greater than 1:2 device to student ratio with wifi, active panel interactive whiteboards in most classrooms and access to all platforms
- The school in 2015 established a new language program where all students receive Chinese lessons each week
- A dedicated music program was also been established in 2015 and partnerships with Tempe PS have allowed access to a training band

Coming later in 2016

- An upgrade to our library including a flexible seating space, Chromebook deployment and a maker space
- Implementation of Positive Behaviour for Learning well-being framework designed to further enhance students well being
- Whole school implementation of Project Based Learning
