Congratulations class SRC representatives

Students from Years 1 to 6 voted in class to elect their SRC (Student Representative Council) representatives for Semester 1. Congratulations to the students who were elected. These students will be involved in initiating fund raising activities, bringing their peers' ideas to SRC meetings and spreading awareness for a range of important causes and charities. In Semester 2 two different students will have the opportunity to be the SRC representative for their class.

Clean Up Australia Day for Schools

St Peters Public School will continue its involvement in Clean Up Australia Day for Schools this year. The school clean up day is scheduled for Friday 28 February. Students will be learning about the impact of rubbish on their local environment and playing an active role in cleaning up their school. Bags will be provided to each class for the clean up but we do request students bring their own gloves if possible (some gloves will be provided for those that do not have any).
