## Welcome Back St Peters PS

It was simply wonderful to see and hear the excitement of the students today, returning to school full time for the first time since Term 1 amongst their full cohort of friends and back in their class groups with their teachers. Thank you to all families for the magnificent job in managing learning from home.

As you are aware, there have been changes to drop off and pick up areas to facilitate social distancing between adults. Parents should not enter the school grounds before or after school, however, if your child is late or needs to be picked up early you may enter the office where a staff member will take your child to their class. You may also enter the office between 9 and 3 if you need to buy a school uniform for your child (please remain 1.5m apart from other people).

### Drink bottles

**REMINDER:** Please remind your child/ren to bring their drink bottles to school each day. Drink bottles can be refilled at the bubbler instead of children drinking directly from the bubblers.

## Canteen

Botany Bites remains open for families who wish to order a school lunch. Botany Bites will be open Tuesdays and Thursdays. Orders can be placed using Flexischools.

## Kindergarten 2021 Information Evening

On Tuesday 26 May at 7:30pm an information session, via Zoom for parents will take place. Please contact the office to register and receive the Zoom link.
