PB FOR L FOCUS

Try your best

Year 7, 2025 Expression of Interest forms

Year 7, 2025 online expression of interest forms are open today and will remain open until April 10. Look out for an email with the link from St Peters PS today if you are a parent/carer of a current Year 6 student. If you need any assistance with your child's high school form, please don't hesitate to contact your child's class teacher.

Meet the Teacher evening and Parent Teacher interviews

Meet the teacher evening was held on 21 February. Thank you for coming on the night, venturing out in a week with extreme weather. Students were very excited to know that their parents were coming to look at their classroom and meet their new teacher/s. Parent teacher interviews will be held in Week 10, Tuesday 2 - Friday 5 April. Booking information will be available and emailed to parents mid March.

School Band

School band will commence on Monday 18 March at 8am and will be held in the Music Room for students in Year 3-6. In order to join the band, a "blow test" (where students are given the opportunity to look at a range of band instruments) will be held in the music room at 8am on Monday 11 March. If you already play an instrument, please bring your instrument along (if appropriate, no need to bring a drum kit!) There may be limited places for students in Year 2 to join the band, if you are interested in your Year 2 child participating in band in 2024, please contact the school office. If your child is in years 3-6 and you have not filled out the online form to indicate interest, please contact the school office to be added to the list.

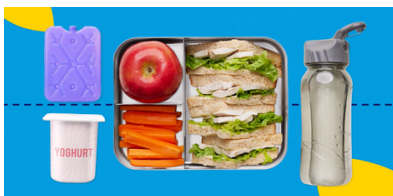

Zone Swimming Carnival

On a day with weather very fitting to be at the pool, Mr Twemlow and Ms Carlin accompanied the Zone swimming team to Botany Pool. Congratulations to all students who participated on the day.

Nutrition Snippet

HOW TO PACK A HEALTHY LUNCH BOX

A good lunch gives children energy and nutrients to learn, play and grow.

But what does a healthy lunch box look like? Find out in our [short video](#).

Pulse Alive rehearsal and performance

The St Peters PS dance group participated in a whole day dance rehearsal at Sydney Olympic Park on February 22 as part of a combined dance group that will be performing on 15 March at Pulse Alive. Pulse Alive is a large-scale event, providing high-quality opportunities in the performing arts for students from NSW public schools in Greater Sydney and beyond. Thank you to Ms LeCalvez for your commitment in preparing the dance group and to Mrs Thompson for accompanying the students to the rehearsal. Thank you also to the parents and students for getting to St Peters station for a 6:15am start. It was a big day! Olivia (Year 6) has been selected as a featured artist after a rigorous audition process at Pulse Alive and will be singing at the event on 14 and 15 March. If you would like to attend the event, tickets can be purchased from [ticketmaster.com.au](https://www.ticketmaster.com.au).

Student Safety

This is a reminder that school car parks are for staff use only. Parent vehicles must not enter school car parks to park, drop off, pick up or turn around. This is extremely important to ensure the safety of our students.

If you need to drive to school to drop off and pick up your children, there is a public car park on the corner of St Peters St and Campbell St, a kiss and drop area on St Peters St next to the school and parking on surrounding streets. Please ensure you follow the instructions on all parking signs, ensuring you do not park in the no stopping area (turning circle) at the end of St Peters St.

Thank you for your cooperation.

SCHOOL NEWSLETTER

Reminder - Electronic Devices at school

At the start of each year, a number of our senior students begin to bring a phone or smart watch to school as they start to walk to and from school independently. Immediately on arrival to school, all students must hand in their electronic devices (whether they have a SIM card in them or not). Devices must not be used on school grounds. All electronic devices needed for learning are provided by the school. If your child needs a medical exemption (for example, they need a device to track blood sugar levels for diabetes) an exemption can be sought.

Reminder - School Uniforms

There has been a significant increase in students not wearing full school uniform. This includes the correct school navy bucket hat (caps and beanies are not school hats and do not provide adequate sun protection), white socks and black shoes. All students and their families have a variety of uniform combinations to choose from to ensure a comfortable uniform for activity and for every body shape. Students can choose to wear a navy skort, navy shorts, navy long pants or navy fleece track pants. Uniforms can be purchased at the uniform shop (new) or second hand (P&C). Financial assistance can be provided if families are unable to purchase uniform items by contacting the office manager (Mrs Ross) or the Principal (Mrs Salter).

NSW Department of Education

Every Day Matters

When it comes to attending school, every day matters

If your child misses as little as **1 day per fortnight**, they will miss **4 weeks of school per year**, which adds up to over **1 year missed over their school life.**

Scan the QR code to learn more

Make sure your child doesn't miss out on the important things like:

-  Learning
-  Strengthening friendships
-  Build skills through fun

NAPLAN - Year 3 and 5 students

This term, your child will undertake [NAPLAN assessment](#). NAPLAN provides schools with valuable information about your child's learning progress in literacy and numeracy. NAPLAN is only one way we assess student learning in years 3, 5, 7 and 9.

NAPLAN will take place from Wednesday 13 March to Monday 25 March in 2024. Students will not have an assessment every day, this is a window for exams to take place in.

Your child's teacher is getting students ready for NAPLAN and will provide appropriate support and guidance. Students will become familiar with the types of questions in the tests and the online testing platform that we use. In addition to school preparation, I want to share with you some information on how you can further support your child for NAPLAN.

Preparation for NAPLAN

Students are not expected to study for NAPLAN and do not need excessive preparation or the use of services by coaching providers. You can support your child by reassuring them that NAPLAN is a part of their school program. If you or your child/children would like to know more about the NAPLAN online platform you can go to the [public demonstration site](#) and do some practice tests and [past NAPLAN papers](#) are also available online.

Participation in NAPLAN

Adjustments are available for students who have diverse functional abilities and needs. On a case-by-case basis, reasonable adjustments for individual students can be made so they can complete NAPLAN. Speak to your child's teacher to discuss the adjustments available. For more information read the [Guide for schools to assist students with disability to access NAPLAN \(PDF 96 KB\)](#)

Assessment tips

You can support your child by reminding them to simply do their best. You can also encourage:

- a healthy diet
- drinking lots of water
- getting enough sleep
- exercise and relaxation time

These along with arriving at school on time ready to sit the test will help prepare our students do their best on the day.
